## PRE-LOVED UNIFORM

Let's not be wasteful! ♻️

Dancers grow so quickly, and uniforms can often outlast their use. If your dancer has outgrown any uniform items that are still in good condition, we'd love for you to donate them back to us. These preloved garments will be made available to other dancers in exchange for a donation to our KIC Arts Development Fund.

## UNIFORM POLICY

Wearing the correct uniform allows dancers to fully participate in class - dancers should be comfortable and not restricted in their movement. When wearing proper uniform, teachers can see the dancer's alignment and make corrections as necessary, a key element to improvement.

Dancers should have ***hair tied back and remove all jewellery.***

Dancers should own the elements of compulsory uniform as this will be expected at performances and any element of optional kit can be worn in class.
